SERVICE AND VALUE

Richard Steel & Partners have always been transparent about our pricing. The Government, through the Competition & Markets Authority (CMA) require all funeral directors to publish and display a specific set of standardised pricing in a strict format that they consider will enable a comparison.

We firmly believe that every funeral is 'unique' in that it reflects the individual and the wishes of the family.

A funeral can therefore take many forms, from a simple attended gathering (or completely unattended if wished) to a full service in a venue or place of worship.

We are here to help and guide you through the choices and options available – as arranging a funeral is an intensely personal experience.

With our extensive knowledge and long history of family service, we have been providing personalised, affordable funerals to the local community for over 160 years.

We are personally available 24 hours a day, 365 days a year to help and guide you.
